You can have your own custom screen saver featuring your own animals, farm or family as easy as 1,2,3!! There are no limits to the easy, fun creation of a screen saver made just for you!

There are many special effects available.

- Gems - the clear shapes that bounce around on the screen and produce interesting distortions in the background photo.
- Animations - Colored shapes of many kinds that travel on the screen, such as hearts, etc.
- Captions - Custom wording either embedded in the photo, or scrolling on the screen in various manners.
- Refresh times can be shortened or lengthened.
- Lettering can be in custom colors and fonts.
- Photos can be shown in a specific order or at random.
- Audio can be incorporated, such as a music clip or your own sound recording.
- Files provided in .exe and .scr format

You provide the photos in a JPEG format and I will crop them to fit the screen, or I can provide stock photos depending on the subject.

Prices vary, but start at 10\$ for 10 photos provided by you. Files are provided as a download unless otherwise noted. CD's are available at an added cost.

If you have specific requests, let me know. As always, your satisfaction is guaranteed or your money back. I want you to be happy with the finished product!!

Hope to hear from you soon!!
